Online Education & Training

Abundant free online education and training opportunities are available to members throughout the year. These opportunities include:

Link - This virtual education series delivers unique content to credit union professionals, free of charge. Alloya typically offers a bi-monthly, one-hour session, presented by industry experts, creative thought leaders, inspiring storytellers, daring trailblazers and celebrated educators. Topics cover a wide array, all of which are designed to get your wheels turning, and most offer CPE credit. Recordings are made available 1-3 business days after the live event so you can watch it back at your convenience.

Macha Education - Through a partnership with Macha, Alloya is pleased to offer free ACH education to all credit unions. These sessions can help credit union professionals prepare for and retain the Accredited ACH Professional (AAP) and Accredited Payments Risk Professional (APRP) designations. If you cannot attend a live session, recordings are made available to Alloya members in the "Recorded Training" section of Premier View.

ECCHO Education – Through a partnership with ECCHO, Alloya proudly offers free check education to all credit unions. These sessions can also help credit union professionals prepare for and retain the National Check Professional (NCP) certification. If you cannot attend a live session, recordings are made available to Alloya members in the “Recorded Training” section of Premier View.
