

# QCash through Alloya

QCash Financial is a credit union service organization (CUSO) offering a relationship-based lending platform that enables credit unions to provide small-dollar loans anytime, anywhere, from any device in less than a minute without a credit check.

Together with QCash, members of Alloya are able to drive financial inclusion through QCash's life event, specialty and financial first responder loans. For members who can't qualify for traditional lending options, this is a game-changer. Your credit union can offer hope to those who are struggling financially.
