

Student Loan Program

Alloya's Student Loan Program is offered through the nation's leading saving-and-paying-for-college provider, Sallie Mae®, enabling your members to obtain student loans through your credit union rather than another financial institution.

The Student Loan Program manages loan origination, disbursement and servicing in addition to designing marketing collateral. As your members obtain student loans, your credit union will receive payments for the referrals.

Sallie Mae® higher education loans are designed for the needs of undergraduates, graduate students, and parents.
