

Image Delivery Services

Alloya's Image Delivery Services are available to credit unions using Alloya's share draft and/or deposit services. All checks processed by Alloya are sent through secure FTP on a daily or monthly basis to a designated provider or to your credit union if you wish to build your own post-processing image archive.

Alloya's Image Delivery Services enable credit unions to:

- Build your own image archive
- Send to a third-party vendor, such as a fraud service provider, e-statement provider or core processor
- Receive ongoing support from Alloya professionals

Enhance Effectiveness

For credit unions using Alloya's share draft and/or deposit services, Alloya's Image Delivery Services send all processed checks to your credit union or a designated provider.

Meet Your Needs

On a daily or monthly basis, Alloya can send to a third-party vendor, such as a fraud service provider, e-statement provider or core processor.
