

Wire Transfer

Alloya's Wire Transfer program provides several unique options for transferring funds. Your credit union will enjoy having no monthly base or minimum fees and payment options are competitively priced.

Alloya offers a full suite of wire transfer payment options including:

- Domestic Wires
- International Wires
- Member-to-Member Transfers
- Cash Concentration Transfers

Alloya's Wire Transfer suite is available through our online account management system, Premier View. No longer manage multiple vendor websites with different login credentials to transfer funds for your credit union or your members. Find peace of mind knowing that funds transfers are submitted using multi-layered security controls including: authorized users, transaction limits, tokens, PINs and dual control. Additionally, your credit union can choose to add the OFAC scanning service to complete your BSA due diligence on transfers within Premier View.

For added convenience, templates are available that enable your credit union's staff to quickly initiate recurring transactions.

Save Money

With competitive pricing and no monthly base or minimum fees, one of Alloya's Wire Transfer solutions is certain to meet your credit union's needs.

Save Time and Reduce Efforts

Conduct all funds transfers in one place while managing only a single relationship with Alloya rather than multiple vendor relationships.

Find Peace of Mind

Reduce risk and relax knowing that access to the system requires layered security controls to

protect data and integrity of all transactions.
