
Alloya's Advised Line of Credit/Loans Product Operating Agreement

Authorization. The Master Membership Agreement (“MMA”) and Master Membership Contract (“MMC”) between Member and Alloya are incorporated herein by reference and represent additional terms that are part of this Product Operating Agreement (“POA”).

- I. **Borrowing Authority.** Authorized Signers designated by Member-Borrower (“Member”) may initiate loans from Alloya Corporate Federal Credit Union (“Alloya”). Pursuant to this POA, Alloya may provide Member an Advised Line of Credit. Member promises to pay Alloya, in lawful money of the United States and in immediate available funds the aggregate unpaid principal amount of all advances made to Member by Alloya pursuant to and in compliance and agreement with this POA (the “Credit Facility”), together with all relevant attachments, addenda, exhibits and/or schedules, as amended, extended, supplemented, replaced or modified from time to time, whichever is greater, on the first to occur: (i) demand or (ii) the maturity date and to pay interest at the interest rate herein provided (“Interest”) when due until the maturity date as provided in this POA on the unpaid principal amount until the maturity date.
- II. **Credit Availability.** Alloya, in its sole and reasonable discretion, at any time and for any reason may: (1) refuse to make an advance requested hereunder; (2) terminate the Credit Facility hereby established for the Member at any time, (3) reduce the amount of the Credit Facility, or (4) increase the amount of the Credit Facility. The Advised Line of Credit (Maximum Advance Amount) available to Member is listed in “System” as defined in the Member’s MMA.
- III. **Advances.**
 1. Advised Line of Credit advances may be taken by the Member in the following forms:
 - (A). **Demand Loan.** A Demand Loan is a loan with a maximum term of one (1) year and a variable rate (“Demand Loan Rate”). The maximum Demand Loan Rate fluctuation is announced from time to time by Alloya and applies to each Demand Loan and corresponding advances. With each change in such fluctuating interest rate, the applicable Demand Loan Rate will correspondingly change without notice to Member. Any change in the Demand Loan Rate shall be effective as of the opening of business on the day on which such change in the Demand Loan Rate becomes effective.
 - (B). **Term Loan.** A Term Loan is a fixed or variable loan that has a set maturity date not to exceed fifteen (15) years. The rate of interest with respect to each Term Loan and corresponding advances will be as specified by Alloya (“Term Loan Rate”) as memorialized in a confirming e-mail.
 2. **Availability.** Neither a Demand Loan nor Term Loan may exceed the amount available under the Credit Facility, minus current outstanding advances and all other obligations due to Alloya herein (“Maximum Advance Amount”). Member may borrow, repay and re-borrow under the Credit Facility. Continuation of this Credit Facility is at Alloya’s sole and reasonable discretion. All advances shall be funded to Member’s account, as designated by Alloya (“Account”).
 3. **Negative Account Balance.** At the end of each day (a “Business Day”), other than a Saturday, Sunday or other day on which the Federal Reserve Bank in the federal reserve district where Alloya is principally located is not open for business, if Account has a negative balance, Member is deemed to have requested an advance in the form of a Demand Loan herein in the amount of the negative balance.
- IV. **Notice and Manner of Requesting Advances.** Except for advances made for Settlement as defined in the MMA, Member shall obtain all Demand Loan advances hereunder via Alloya’s then in effect internet-based cash management system or by providing Alloya either written notice (via US Mail, or e-mail and which is effective upon receipt) or verbal notice via telephone (effective at the end of the business day of receipt) of any advance request. In the case of a Term Loan, Member shall obtain all advances, not to exceed the Maximum Advance

Amount, through written notice (via US Mail, fax transmission or e-mail and which is effective upon receipt) or verbal notice via telephone (effective at the end of the business day of receipt) specifying (i) the amount of such advance; and (ii) when applicable, the purpose for the advance and method of payment.

- V. **Funding of the Advance.** Provided Alloya has determined to make such advance, Alloya will make the advance available to Member by crediting Account held at Alloya within a reasonable time after Member requests said advance. Member is deemed to have obtained the proceeds of an advance upon funding to the Account and shall be liable pursuant to this POA for the repayment of any advances upon funding.
- VI. **Confirmation and Recordation of the Advance.** Member shall receive confirmation of each advance through monthly Alloya statements. Member authorizes Alloya to record advances made and payments received hereunder in such manner as it may elect. Such confirmation and recordation, absent manifest error, shall be conclusive as to the type, principal amount, date, Interest rate, and maturity date, if any, of each advance.
- VII. **Interest Rate of Demand and Term Loans.** Member shall pay accrued Interest to Alloya on the outstanding principal balance of all Demand and Term Loan advances at a per annum interest rate equal to the Demand Loan Rate or Term Loan Rate in effect on the date a Demand or Term Loan is made, on the third (3rd) Friday of each month and said accrued Interest shall be debited from Member's Account. Interest at the Demand Loan Rate or Term Loan Rate shall be calculated based on a 365-day year for the actual number of days elapsed. Interest shall continue to accrue until payment is collected.
- VIII. **Principal Payments with Respect to the Credit Facility.** The principal due under the Credit Facility shall, in the case of a Demand Loan, be paid on the date of demand or maturity date of one (1) year from the date of the advance and, in the case of a Term Loan, be paid on the maturity date. In addition, if at any time during the term of the Credit Facility the principal amount of all advances should exceed the Maximum Advance Amount, principal on all advances shall accrue interest at a per annum interest rate equal to eighteen (18%) percent or the highest interest rate allowed under applicable state or Federal law, whichever is less ("Default Interest Rate"), and Alloya may, at its option, consider such a Default and/or an Event of Default (both hereinafter defined).
- IX. **Prepayment.** The principal due with respect to the Credit Facility which is outstanding as a Term Loan may be prepaid only in full, and not in part, provided a prepayment penalty is paid based on the then current prepayment schedule. Principal due with respect to the Credit Facility which is outstanding as a Demand Loan may be prepaid in full or in part at any time without penalty.
- X. **Method of Payments.** Member hereby unconditionally and irrevocably authorizes Alloya, without notice or approval, to collect when due all principal, Interest, and other charges due Alloya hereunder by: (i) debiting Account from time to time and/or (ii) making a Demand Loan to Member, as Alloya may elect in its sole and absolute discretion. Whenever any payment to be made under this POA shall be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of Interest.
- XI. **Line of Credit Review Fee.** Contemporaneously with Member's execution and delivery of this POA, Member shall pay Alloya a non-refundable line of credit review fee payable in the amount as provided for under Alloya's then current fee schedule.
- XII. **Security Interest.** The indebtedness due or to become due to Alloya by Member under this POA is secured by Member's property, rights and interests pledged as collateral to Alloya, as acceptable and approved in and maintained at Alloya's sole and absolute discretion, as indicated below:
1. **All Member Assets.** All Member's assets and personal property, including but not limited to; accounts, As-extracted collateral, tangible and electronic chattel paper, deposit accounts, securities, certificated securities, documents, fixtures, general intangibles, goods and all accessions thereto and goods with which the goods are commingled, instruments, inventory, investment property, letter-of-credit rights,

At Alloya's sole and absolute discretion, Member grants and pledges to Alloya, as further and additional security herein, a security interest in and lien on all property or assets of Member which is or may be in the possession or control of Alloya in any capacity, including, without limitation, all monies owed or to be owed by Alloya to Member. - (D) Waiver by Alloya. Neither any failure nor any delay on the part of Alloya in exercising any right, power or remedy hereunder, under the POA or under applicable law shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

- (E) Alloya's Setoff. Alloya shall have the right, in addition to all other rights and remedies available to it following a Default and/or Event of Default, to set off against any obligations due Alloya any debt owing to Member by Alloya, including without limitation, any funds in any share or other account now or hereafter maintained by Member at Alloya. - (F) Waiver by Member. Member hereby waives, to the extent the same may be waived under applicable law, presentment, protest, demand, diligence, notice of dishonor and of nonpayment, and waives and renounces all rights to the benefits of any statute of limitations and any moratorium, appraisalment, and exemption now provided or which may hereafter be provided by any Federal or state statute, both as to itself personally and as to all of its property, whether real or personal, against the enforcement and collection of the obligations evidenced by this POA.

Unless otherwise provided, all notices, demands, requests, waivers and other communications provided for herein shall be in writing and sufficiently given, (i) if by mail, three (3) days after being deposited in the U.S. mail, first class and addressed as set forth herein or to such other address as each party shall notify the other or (ii) if by any acceptable electronic communication system, when received. Notwithstanding anything to the contrary, all notices and demands for payment from Member actually received by Member shall be considered to be effective upon receipt thereof by Member regardless of the procedure or method utilized to accomplish such delivery thereof to Member.
- (H) Costs, Expenses, Taxes. Member agrees to pay on demand all costs, expenses, taxes and fees incurred, or determined to be payable, including all reasonable attorney's fees and expenses and costs paid or incurred by Alloya in exercising or enforcing any of its rights and remedies herein, together with out-of-pocket expenses and collection costs, incurred or paid by Alloya in enforcing, exercising, preserving, securing, perfecting and/or maintaining any right or remedy of Alloya herein, including interests in Collateral, or the failure by Member to perform or observe any of the provisions hereof, whether or not a suit or proceeding be initiated, including those incurred in any bankruptcy or insolvency proceeding. All amounts so expended by Alloya shall be deemed secured by the security interest herein and shall bear interest from the date paid by Alloya at the highest Interest rate herein until paid in full.
