This Section VII has no effect upon the right and authority granted to Seller under this Agreement to satisfy the whole of such Loan, or to execute releases under appropriate circumstances, and, if required, Participant will join therein. Similarly, this Section VII shall not effect the right of a Participant to merge with a non Participant.
- 2. Re-Sale Requirements.** Participants, including Agent, may, in accordance with this Section VII, sell, assign, or transfer all or any part of its Participation Interest. Agent will update the Platform with the new Participation Interest once the Loan Participation Certificate has been signed and the payment transaction has been completed.

Servicer will be responsible for the disclosure of such costs to Participants, and each such Participant shall be required to pay promptly its pro rata share of such extraordinary expenses incurred under this Agreement. These costs may be separately stated and billed or withheld from any monthly remittances as reported to Agent. To the extent that Servicer is able to recover its costs, the costs of collection shall be reimbursed in the same proportion as contributed by the Participants.
5. **Servicing Responsibilities.** Servicer represents that, in undertaking responsibility for performance of the services specified in this Agreement, it will exercise the same degree of care, which shall be at least commercially reasonable, that Servicer exercises with respect to the administration and servicing of Loans for Servicer's own account. Seller and/or Servicer shall apply the amount received on a pro rata basis in relationship to the amount of the defaults on each Loan. This sharing of collateral does not apply to collateral and share specifically pledged to secure a particular Loan, in which case the lien and the lien priority of the collateral and shares will be honored by Seller.

9. Servicer's Authority Regarding Loan Modifications and Collections.

- (A) It is agreed that the exclusive right to decide how the Loans sold under this Agreement shall be serviced and collected is hereby vested exclusively in Servicer. Servicer shall not, without consent of Original Participants, commingle acquired security with any other property held by Servicer.

In the event that Participant shall provide timely notice to Seller of its refusal to grant its consent as requested under this section VIII. 9.B., such Loans shall thereafter be eligible for repurchase by Seller in accordance with Section IX of this agreement.

- (C) Servicer may permit a "skip a payment" arrangement with any debtor without consent of the Participant, if such an arrangement is consistent and in compliance with Seller's own policies for such matters, and such policies are provided to Buyer during the due diligence period and acknowledged in the Loan Participation Certificate.

Records Maintenance.** Servicer is responsible for maintaining, or requiring the maintenance of, a complete set of books and records, meeting industry standards, as to all the Loans in which each Participant has acquired a Participation Interest under this Agreement, including but not limited to a record of each receipt and each disbursement. - 13. Default by Member/Borrower.**
- (A) In the event of a default in the payment of principal or interest by a member/Borrower on any Loan sold hereunder, then as to such Loan, remittances of principal or interest to Participants hereunder shall not be required until collected from the Borrower or from the account of the member/Borrower.
 - (B) Any failure by a member/Borrower to pay the full amount of principal and interest due under the terms of any note or Loan document shall be construed as a default under this Agreement. All Participants shall be notified of delinquency at the next scheduled reporting period.
 - (C) In the event of a default of a Loan, Servicer shall then undertake collection efforts that are appropriate in Servicer's sole reasonable business judgment, taking into account the amount of the debt and the likelihood of recovery, including, but not limited to, hiring of legal counsel, repossession of collateral, filing of court actions, obtaining judgments and execution thereon. Servicer's obligation under this paragraph will not be deemed breached if Servicer is prevented from taking action because of application of the automatic stay that arises if the member/Borrower becomes a debtor in bankruptcy, provided that Servicer takes lawful and reasonable steps to protect the interests of Seller and Participant(s) in the bankruptcy.
 - (D) At any time after default, Seller will have the option to repurchase the Buyer's participation interest, with Buyer's consent, upon giving ten (10) business days written notice.
- 14 Default by Servicer / Participant.** Any of the following acts or occurrences shall constitute an event of default by such party under this Agreement (each, an "Event of Default"):

If an Event of Default has occurred with respect to a Party and is uncured as set forth in Section VIII. 14., the other Party may exercise any right or remedy available to it under this Agreement or under applicable law, provided, however, Participant's sole and exclusive remedy in the event that Servicer fails to follow its customary servicing practices with respect to any purchased Loan is to cause Seller to repurchase such purchased Loan(s) in accordance with Section IX. of this Agreement. Except as specifically otherwise limited or conditioned in this Agreement, each party shall indemnify the other against loss or damage caused by the breach of any representation, warranty, covenant or provision contained in Section VIII. of this Agreement and such indemnification shall survive termination of this Agreement unless such loss or damage was the result of the indemnified party's gross negligence or willful misconduct.

16. Liability of Servicer. Servicer shall be responsible to Participant and Seller for all payments actually received by Servicer on purchased Loans less any amounts to which Servicer is properly entitled to hereunder. However, in no event shall Servicer be liable for errors or omissions in remittances by Agent or any consequential, incidental or special damages including, but not limited to, damages for loss of funds, data, profits, goodwill or prospective business opportunity. In the event of any error, mistake or breach (collectively "Errors") of this Section VIII. of this Agreement by Servicer or its Agent, the parties agree that the measure of Servicer's liability shall be limited to:

- (A) the out-of-pocket costs paid by Participant and/or Seller to third parties to correct such Errors, and
- (B) any amount which Participant and/or Seller is unable to collect with respect to any Purchased Loan as a direct result of Servicer's Errors after making reasonable efforts to do so. In no event, shall Servicer's liability exceed the amounts paid to Servicer by Participant and/or Seller for the Services to which the Error pertains. The only warranties made by Servicer are the specific obligations contained in this Section VIII. of this Agreement, and there are no other warranties, express or implied.

17. Force Majeure. Notwithstanding anything herein to the contrary, neither party shall be considered in default hereunder or have any liability to any party for any failure to perform if such failure arises from any of the following causes:

- (A) acts of God,
- (B) terrorism or public enemy, or
- (C) fire, flood or war.

IX. Repurchase of Loans by Seller. Seller shall have the right, at its sole and absolute discretion, to repurchase Buyer's ownership interest in one or more Loans, upon the terms set forth in this Section and in the circumstances described in Sections VIII. 9.B. and VIII. 15. above. The repurchase price shall be for an amount equal to Buyer's participation interest in said Loan(s) unpaid principal, plus accrued interest. The provisions of this Section IX. shall not be construed as obligating Seller to repurchase Buyer's ownership interest in any Loans or as granting Buyer the right to demand Seller repurchase such ownership interest.

X. Substitution of Servicer

1. Participant(s) holding a majority of a Loan Participation Interest may remove Servicer and substitute a new Servicer if, Servicer, without reasonable business justification, fails to engage in active collection of any debt upon thirty (30) days' written demand by a Participant, provided that the Borrower is in default by more than ninety (90) days and the default remains uncured. For purposes of this Agreement, the active collection of a debt shall mean the filing and prosecution of a lawsuit to collect the debt or obtain the

collateral and/or attempting, through extra judicial means, to repossess collateral and sell the collateral as permitted by law.

2. The substituted Servicer must be a Party to this Agreement and may be an appointing Participant.
