Time flies when you're having fun, and the last 15 years have been no exception! Since Alloya was formed in 2011, we have been committed to doing everything we can to make your job easier, and we can barely believe a decade and a half has flown by! In honor of Alloya's 15th anniversary, we'll be taking a trip down memory lane to celebrate the ways we've simplified the operational lives of our member credit unions and to thank you for your many years of loyalty and support. Stay on the lookout for details about special 15th anniversary perks, highlights and promotions to be unveiled later this year.

To get the party started, you have the chance to win a complimentary registration to our 2026 Credit Union Leadership Symposium in Nashville, Tennessee, from September 9-11 with this Alloya trivia quiz! Take a few minutes to put all your knowledge about Alloya to work (no Googling allowed!). Each participant who scores 100% on the quiz will be entered to win. The last day to enter is Friday, January 30, and the lucky winner of a 2026 Leadership Symposium registration will be announced on Monday, February 2.
